A NEW ERA OF QUALITY DISPOSABLES

At **Anaid Quality Disposables Limited**, we are proud to be a trusted name in the supply of high-quality catering and janitorial disposables across the UK. With a strong focus on variety, value, and service, we deliver an extensive selection of products to meet the diverse needs of our customers.

We source our products from a carefully curated network of suppliers, while also manufacturing select items in-house. This allows us to offer an ever-expanding range of **eco-friendly** and sustainable solutions. With increased storage capacity, we are better equipped than ever to maintain a wide and ready-to-ship inventory—giving you more choice, more often.

Our commitment to flexibility means we supply in both small and large volumes, allowing customers to order with precision, manage space efficiently, and replenish stock as needed. Buying from one **reliable source** not only simplifies logistics but also helps reduce overhead.

Strong supplier relationships and an agile operation ensure fast turnaround times on every order. Our customers enjoy quick access to what they need, without the burden of large upfront investments—an important benefit in today's fast-paced business climate.

At **Anaid**, we pride ourselves on being a true one-stop shop. By offering smaller quantities across a wider product range, we empower our clients to be flexible and responsive without compromising on quality.

Despite operating in a highly competitive market, we never compromise on standards. We refuse to stock products that don't meet our strict quality benchmarks, safeguarding both our reputation and your expectations.

With many of our clients staying with us for decades, our success reflects our dedication to **exceptional service, fair pricing, and reliable, high-quality products.**

Anaid Quality Disposables Limited — your dependable partner in disposables.

Anaid Quality Disposables — Trusted. Reliable. Sustainable.

Anaid Quality Disposables Limited, we proudly stand as a leading UK supplier of catering and janitorial disposables. Our diverse product range—sourced from trusted manufacturers and supported by in-house production—serves sectors including hospitality, retail, healthcare, and more. Driven by a commitment to **quality, sustainability, and flexibility**, we've expanded our storage and distribution capabilities to offer a broader selection of **eco-friendly solutions** with consistent availability. We support our clients by offering both **small and bulk quantities**, making ordering precise and cost-effective. Our single-source supply model simplifies procurement and helps businesses manage inventory efficiently.

Thanks to strong supplier relationships, we ensure fast, reliable delivery. Whether you're a local café or a large distributor, our goal is to make high-quality products easily accessible, with minimal investment. By offering a wide range in smaller volumes, **Anaid** is your one-stop solution—delivering choice, convenience, and consistency without compromise. With over 30 years of customer loyalty behind us, our reputation reflects our dedication to **service, value, and excellence**.
